

**AUDITOR'S REPORT TO THE SHAREHOLDERS MEETING OF  
RIVER CLEANUP NPO  
DE MERODELEI 1  
2600 ANTWERPEN  
COMPANY NUMBER 0719.610.237  
  
CONCERNING THE ACCOUNTING PERIOD ENDING ON  
31 DECEMBER 2024**

In fulfillment of the assignment assigned to us as auditor, we have the honor to report the following to you. This report includes our opinion on the true and fair view of the financial statements.

We have reviewed the financial statements for the accounting period ending on December 31<sup>st</sup>, 2024 of River Cleanup NPO, prepared in accordance with the financial reporting framework applicable in Belgium, which show a balance sheet total of 872.611,87 EUR and a profit for the year of 14.520,37 EUR.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting framework applicable in Belgium. Our responsibility is to express a conclusion on the financial statements based on our review.

**Scope of the review**

We conducted our review in accordance with ISRE 2400, "Review of Financial Information Performed by a Corporate Auditor." A review of financial information consists of making inquiries, primarily with those responsible for finance and administration, as well as performing analytical and other review activities. The scope of a review is considerably less than that of an audit in accordance with International Standards on Auditing. For that reason, this review does not enable us to obtain assurance that we will be made aware of all material matters that might be identified as a result of an audit. Accordingly, we do not express an audit opinion.

## Conclusion

Based on the review we have performed, nothing has come to our attention that causes us to believe that the financial statements on December 31<sup>st</sup>, 2024 do not give a true and fair view of the assets, financial position and results of the Project Association in accordance with the financial reporting framework applicable in Belgium.
